Birchcrest B Neighborhood Roadway Improvements

Dear Resident:

Project Schedule

Remember, on-street parking during reconstruction is not allowed in areas where crews are working.

A large portion of restoration in Phase I was completed and hydroseeding will take place next week.

Crews also started on the storm drain system upgrades at Porter Lane and Code Avenue. This upgrade will continue along Porter Lane and Birchcrest Drive. Some of the structures and pipe sizes to accomplish this are fairly large as you can see in the picture.

Next week, crews will also continue with restoration of Phase I. Phase III is scheduled for the first layer of asphalt next week while Phase II will have utility upgrades completed.

Remember to routinely check your front door for time sensitive notices. All schedules are weather-dependent and are subject to change.

Communications

Please contact me if you have any questions or comments regarding this project. You can reach me at 952-826-0448 or dnorthenscald@EdinaMN.gov. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/birchcrestb.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Derek Northenscald
Engineering Technician
